

LEVEL UP YOUR CAREER

MASTER OF ACCOUNTANCY

MASTER OF ACCOUNTANCY (MACY)

PROGRAM OVERVIEW

The Master of Accountancy (MACY) is a comprehensive graduate degree in accounting that provides a solid theoretical foundation as well as opportunities to focus on areas such as taxation, audit and financial reporting. The MACY degree incorporates both theoretical and applied components that prepare students well for their careers as professional accountants.

ADMISSION REQUIREMENTS

Must complete university-wide graduate requirements in addition to the following:

- ◆ A completed application form – available at www.graduateschool.utsa.edu
- ◆ A personal statement of academic and personal goals
- ◆ Letters of reference (optional)
- ◆ Transcripts from all colleges and universities attended
- ◆ Official Graduate Management Admission Test (GMAT) or Graduate Record Examination (GRE) scores (no more than 5 years old)
- ◆ A current resume with employment or other experience (optional)

CURRICULUM

The MACY requires 30 credit hours. The Certified Public Accountant Examination in Texas has a 150-hour educational requirement. A typical undergraduate student (120 hours), regardless of prior major, can reach the 150-hour limit and meet the accounting coursework requirements by completing the MACY program.

THEORETICAL FOUNDATIONS - 6 semester credit hours

- » ACC 6003 Managerial Accounting Theory
- » ACC 6013 Financial Accounting Theory

ELECTIVES - 9 semester credit hours

Graduate electives in accounting, auditing, taxation, finance, data analytics, and information systems are available.

DISCIPLINARY FOCUS

12 semester credit hours in a focus area: taxation, financial accounting/auditing, data analytics/information security, health care accounting and general studies are available.

ACCOUNTING CAPSTONE - 3 semester credit hours

- » ACC 6993 Integrative Seminar in Accounting

Please consult the 2015-2017 Graduate Catalog for official degree requirements.
