

**UTSA** College of Business

## **BBA IN FINANCE**

UTSA's BBA in Finance program prepares students to tackle complex problems through in-depth instruction from industry professionals and accomplished faculty. The BBA in Finance program has a flexible, but rigorous curriculum that provides a comprehensive study of finance and its application to solving real-world financial challenges that face investors, financial institutions and corporations.

### **RIGOROUS FOUNDATIONS**

Learn the theoretical foundations of finance, financial accounting and statistical analysis. Take a dive into advanced topics such as portfolio optimization, risk management, capital markets and financial valuation.

### **EXCEPTIONAL FACULTY**

BBA faculty have graduated from or taught at premier institutions such as MIT, UC Berkeley, Michigan, NYU and other top tier institutions. The faculty interact with industry professionals and are at the cutting edge of research in their areas of expertise.

## **EXPERIENTIAL LEARNING**

Finance majors can obtain valuable experience through internships with Fortune 100 corporations such as Ford Motor Company, General Motors, Walt Disney, Walmart and premiere financial institutions such as Goldman Sachs and USAA.

In order to prepare students for both internship and job interviews, UTSA offers a career action program (CAP). This program offers a comprehensive overview of resume writing along with workshops where students practice interviewing, making introductions, business etiquette, and networking with executives from leading companies such as Valero, USAA, AT&T, HEB, and Accenture. In addition, students can obtain hands on experience through finance clubs on campus such as the investment society .

## **TUITION AND FINANCIAL SUPPORT**

Students are eligible for financial aid from the Federal Government through the FAFSA program. Further, they can obtain additional support through scholarship programs administered by UTSA. International students are eligible for financial aid through the international student grant and good neighbor scholarship programs (the latter is only for international students from the nations of the Western Hemisphere excluding Cuba).

## BBA in FINANCE

The BBA program in Finance at UTSA includes systematic, rigorous training in quantitative methods, economics, and finance. Through hands-on experience and class projects students also gain important insights and training.

### STUDENT CLUBS

Finance students have the opportunity to be a part of student clubs such as the Investment Society. Students research and analyze investment opportunities in the stock and bond markets and present their research on an ongoing basis. The presentations are judged by experienced professionals. The Financial Institutions club invited professionals from the Banking industry to learn about current topics and engage in relevant issues of the time.

"UTSA provided me with the academic foundation to build a rewarding career as an energy infrastructure investment professional. To this day I draw from lessons learned in classes like Security Analysis, Risk Management, Financial modeling and Intermediate Accounting. The UTSA Investment Society provided the structure to begin exploring the world of finance outside the classroom."

Rafael Velez  
Nextera  
Energy Resources
