LEVEL UP YOUR CAREER

MBA
MASTER OF BUSINESS ADMINISTRATION
MBA

PROGRAM OVERVIEW

The Master of Business Administration (MBA) is specifically designed to provide an intensive business education for students who want to reach the next level of their careers.

ADMISSION REQUIREMENTS

Must complete university-wide graduate requirements in addition to the following:

- A completed application form – available at www.graduateschool.utsa.edu
- A personal statement of academic and personal goals
- Letters of reference
- Transcripts from all colleges and universities attended
- Official Graduate Management Admission Test (GMAT) or Graduate Record Examination (GRE) scores (no more than 5 years old)
- A current resume with employment or other experience

CURRICULUM

The MBA program requires 36 credit hours of coursework. All candidates are required to successfully complete the courses listed below (27 semester credit hours) and an additional 9 credit hours consisting of electives, and/or master’s thesis.

MBA CORE - 27 credit hours

- ACC 5003 Financial Accounting Concepts
- ACC 5023 Accounting Analysis for Decision Making
- ECO 5003 Economic Theory and Policy
- ECO 5023 Managerial Economics
- FIN 5023 Financial Management
- MGT 5043 Management and Behavior in Organizations
- MGT 5903 Strategic Management and Policy (should be taken in final semester unless otherwise approved)
- MKT 5023 Marketing Management
- MS 5023 Decision Analysis and Production Management

Students seeking the MBA degree may elect one of the two options below to complete the required 36 hours:

- OPTION ONE
  General MBA, Non-thesis Option
  Students must complete 9 hours of general approved electives from the College of Business.

- OPTION TWO
  General MBA, Thesis Option
  Students are required to complete 3 hours of electives and 6 hours of their Master’s Thesis.

Please consult the current Graduate Catalog for official degree requirements.
