The Student Association of Travel & Tourism (SATT) began in 1997 to serve as the umbrella UTSA student organization for other Tourism professional groups in which a student may join as a “student member”. In addition to joining SATT, you are encouraged to join a professional industry organization in representing the business you are considering as a career. Links are available at tourism.utsa.edu and click on “SATT.” All majors welcomed!

Why Join SATT?
Networking, networking, networking is essential to securing that first job and to building a long-term career. SATT creates opportunities for you to meet industry professionals and to learn more about one of the world’s largest industries - Tourism. Join other students who share a similar career focus. Plus, you can serve in a leadership position, participate in charitable projects, social activities, and more.
