WORKSHOP: BUILDING SUCCESSFUL TEAMS

Our Leadership Institute workshops offer an easy way to enhance your business acumen and knowledge of important and relevant professional topics. Taught by award-winning faculty from UTSA and seasoned experts within the San Antonio community, our workshops will help you boost your knowledge, skills and abilities by focusing on how to apply your learning in a meaningful way.

Our unique approach integrates relevant course content with a variety of hands-on learning opportunities including in-class activities and simulations. This balanced approach of academic learning and experiential experiences will maximize your understanding of key concepts and help you take what you have learned and apply it when you are back on the job.

UTSA Continuing Education Units (CEUs) are available.

DESCRIPTION
Leaders need to maximize the performance of their teams to implement their plans successfully. Using group exercises, this session involves understanding how to bring individuals with various behavioral styles into a cohesive and productive team.

ELIGIBILITY
Each workshop is open to all aspiring leaders in the San Antonio area who want to:

- **Develop** a deeper understanding of leadership concepts
- **Learn** how other organizations create new opportunities for their own operations
- **Identify** tools they can take back to their organizations to employ these concepts

COMMITMENT
The overall commitment includes attendance in the three hour workshop. Participants should be aware that pre-review of materials (reading and/or media materials), may also be required.
