WORKSHOP: EFFECTIVE COMMUNICATION

PROGRAM OVERVIEW

Our Leadership Institute workshops offer an easy way to enhance your business acumen and knowledge of important and relevant professional topics. Taught by award-winning faculty from UTSA and seasoned experts within the San Antonio community, our workshops will help you boost your knowledge, skills and abilities by focusing on how to apply your learning in a meaningful way.

Our unique approach integrates relevant course content with a variety of hands-on learning opportunities including in-class activities and simulations. This balanced approach of academic learning and experiential experiences will maximize your understanding of key concepts and help you take what you have learned and apply it when you are back on the job.

UTSA Continuing Education Units (CEUs) are available.

DESCRIPTION

Effective communication is the lifeblood of the organization. This session focuses on how to hold effective conversations in the workplace to overcome barriers of individual differences and group dynamics.

ELIGIBILITY

Each workshop is open to all aspiring leaders in the San Antonio area who want to:

- Develop a deeper understanding of leadership concepts
- Learn how other organizations create new opportunities for their own operations
- Identify tools they can take back to their organizations to employ these concepts

COMMITMENT

The overall commitment includes attendance in the three hour workshop. Participants should be aware that pre-review of materials (reading and/or media materials), may also be required.
