Signature Program:
European Innovation Academy (EIA), Portugal

Academic information: The program will take place in the European Innovation Academy, Portugal in partnership with UC Berkeley and Stanford University. The European Innovation Academy (EIA) is a non-profit educational institution recognized for excellence in tech entrepreneurship education. EIA educational programs are jointly developed with professionals from world class partner universities and companies. Future entrepreneurs and business leaders are immersed in a multicultural ecosystem of 600 students and faculty from 68 nationalities. The aim of the program is to have multidisciplinary teams, who will launch new innovations to the market in a record time of 15 days.

Participants follow all the milestones for creating a startup - from idea to launching. Throughout the program, all the topics, teachings and skills to make it a success will be given to the participants. The Extreme Entrepreneurship Program, will take place this summer in the beautiful city of Cascais, Portugal.

You will have the opportunity to pitch to a prestigious panel of investors such as, Amazon Capital, Intel Capital, and Garage Technology Ventures.
