The University of Texas at San Antonio Department of Finance
Tenure-Track Position in Finance at the rank of Associate Professor

The University of Texas at San Antonio Department of Finance invites applicants for a tenure-track position beginning Fall 2020.

Qualifications

Required Qualifications: A Ph.D. degree in Finance (or related area) with a strong preference for specialization in the analysis of financial data. Candidates must have a demonstrated record of publishing in top-tier finance journals (such as JF, JFE, RFS and JFQA) and have an ability to teach Corporate Finance and Investments courses at the undergraduate, master’s and doctoral levels. Candidates should have strong verbal and written communication skills and the ability and desire to work collegially with faculty and students (as demonstrated by student feedback). The successful candidate must demonstrate their ability to work with and be sensitive to the educational needs of diverse urban populations and support the University’s commitment to thrive as a Hispanic Serving Institution and a model for student success. Candidates will be expected to participate in departmental service activities. Candidates are also expected to participate in pursuing cross-disciplinary research grants where feasible.
