## UTSA JPMC Commercial Banking Information Session

Join an exclusive Information Session, specific where you'll hear all about opportunities in Commercial Banking in preparation for our 2024 internships and early insight programs!

This will also be an opportunity to learn more about the following internship programs for the summer of 2024:

- **Middle Market Banking and Specialized Industries Program-** Spend your summer analyzing and developing solutions for clients with annual revenue ranging from \$20 million - \$500 million.
  - MMBSI Traditional Track—You'll work across banking, treasury and underwriting for mid-size corporations in various industries, municipalities and not for profits.
  - MMBSI Credit Markets Track- You'll support mid-size corporations through specific types of financial transactions and analysis including modeling, cash flow or collateral analysis, mergers, and acquisitions, and more.
- **Corporate Client Banking and Specialized Industries Program** - Working in a fast-paced, collaborative environment, you'll focus on complex corporate clients with annual revenue over \$500 million with both commercial banking and investment banking needs. You'll receive an introduction to corporate finance and play an integral role in deal teams to deliver solutions to our clients.
- **Innovation Development Program (FinTech)** - You'll impact our clients and businesses in a unique way by developing innovative solutions to complex problems while collaborating with Strategy, Digital, Client Transformation, Product Innovation, Marketing, and Business Architecture teams.
